

Come For You

16volt

ORANGE HAZE
Infected by the instrument of

Now they come
Come for you
Come to complete you
That's what they do
Now they come
Come for you
Come to delete you
Cause that's what they do

SHATTERED
Everything that's living under
ASPHALT
Assimilate it perfect to a
WHITE GLOW
Removal of ascension so we're
ALL DOWN
All down
ASSAULTED
Termination this offensive
CAN'T STOP
Unrelenting movement - it's an
ONSLAUGHT
Guardian of immanence is
SHELL-SHOCKED
Shell-shocked

Now they come
Come for you
Come to complete you
That's what they do
Now they come
Come for you
Come to delete you
Cause that's what they do
(4x)

Now they come
