

Dreams Of Light

16volt

A wasted voice they send no one believes this beauty that they
recieve a sharpened point they said the speed it's giving hidde
n message the ashless breath again here comes the sun upheaval
of new as hatred grows again follow the leaders of life to the
end as hatred grows again all of the sleepers coming down from
their cause dreams of light i've had them all my life all the t
ime no i don't know a reason living in guilt shame inside these
eyes again inside my head upheaval o fnew scrape through this
life again i truly tried i can not figure it out is it worth so
mething so symbolic a heaven it seems to come out so messed up
it's faith depleting unrele
