

## Hate Rivet

16volt

i tried my hardest to look in your eyes  
i tried my hardest to see  
whole truth, the truth is a lie  
i know you'll never believe  
i have to lie and it burns my throat  
but the lies are supporting me  
i'm empty inside not empty in mind  
is this what you see?  
or is it just me?  
this is the age of no belief  
last breath of hope has been released  
i'm starting to lose complete control  
hate rivet let me go  
power trip blood for oil  
shed the flesh of a broken land  
they lead us on, tell us "it's all right"  
the whole truth is it's black and white  
hatred and repression have taken over  
i know she's taken the speech for granted  
she's held in deception  
she's drowned beneath the masses  
she's blinded by the truth  
this is the age of no belief  
last breath of hope has been released  
i'm starting to lose complete control  
hate rivet let me go  
we reach our breach in silence  
the truth is forgotten  
rejected from our egos  
we turn away from our lives
