

## In The Thaw

16volt

On the height of the down you're a mountain  
On the wings of the wind you're a god  
Light my fuse (my fuse)  
Light my fuse (my fuse)  
Know my truth (my truth)  
Know my truth (my truth)

I will meet you in between you  
In the thaw

In the space I am in you're my savior  
In the realm on the other side of the sun  
Light my fuse (my fuse)

```

Light my fuse (my fuse)  
Know my truth (my truth)  
Know my truth (my truth)  
I will meet you in between you  
In the flaws  
I will see you in between you  
In the thaw  
And in the dark when i am lost  
And even songs for the swan  
I will meet you in between you  
In the flaws  
I will see you in between you  
In the thaw
