

## Sick Sick Sick

16volt

i feel like i'm numb inside  
i feel like i'm not alive  
i feel like i'm dead and cold  
i feel like i left here long ago  
i feel like i've lost my mind  
i feel like i've wasted my life  
i feel like i've done it wrong  
i feel like i left here long ago

sick sick sick in the head  
yeah i'm sick sick sick in the head  
i'm sick sick sick in the head  
oh i'm sick sick sick in the head

i feel like i sold my soul  
i feel like a worthless hole  
i feel like i lost control  
i feel like i left here long ago
