

Somewhere New

16volt

feeling stuck all the time
i'm locked up in my mind
no way out of this mess
i'm trapped here - more or less

i dream of somewhere new
i gotta get out of here real soon
i'll get into my car and take a drive
i'll make it all better overnight

feeling down everyday
the pills won't take it away
there's no way out so i fight
i tell myself it will be alright as long as i...

dream of somewhere new
i gotta get out of here real soon
i'll get into my car and take a drive
i'll make it all better overnight

gotta get away
gotta get away yeah, let me go
