And it's over now
It's over now
And I don't even know what I should I do
'Cause I'm not afraid
I'm not afraid
Of what I have the intention to do

The battle is over
The war is lost
Kill the survivor
Whatever the cost
I wish it is how it's supposed to be
I think I still need therapy

And it's over now
It's over now
And I don't even know what I could do
'Cause I'm not okay
I'm not okay
And I don't wanna end up hurting you

The battle is over
The war is lost
Kill the survivor
Whatever the cost
I wish it is how it's supposed to be
I think I still need therapy
I think I still need therapy
I think I still need therapy
I think I still need therapy
Therapy

The battle is over
The war is lost
Kill the survivor
Whatever the cost
I wish it is how it's supposed to be
I think I still need therapy
I think I still need therapy
I think I still need therapy
I think I still need therapy
