

We Disintegrate

16volt

i watch with careful eyes
i never trust the word
all my friends have knives
cause it's an evil world
even if surrendered
even if survived
we can try to hide but we won't make it out alive

and we degenerate
and we decelerate
and we disintegrate
falling from earth with no help from the angels
and we degenerate
and we decelerate
and we disintegrate
all of our sins are by avenged the faithful

i always watch my back
i never trust the truth
all my friends have guns
sharp as serpent's tooth
even if defended
even if revived
we can try to hide but we won't make it out alive

if you come clean
it means nothing
gods don't hear screams
