Dirty ahh cup, I got dirty ass soda  
Meds got me fucked up, bitch I'm slumped over  
Swing the chop like nun chucks, you get fucked over  
This hoe thicker than my soda, two thick bitches in the yola  
I ain't had shit but Stofa, I was down bad trapping on cuh sofa  
Crack all white and the guns like Molars  
Auntie in here geeked up off an E pill  
Dump a stack in the mailbox, call it emails  
Finna have three lambos by the time Lil 3 here  
Serving that hard and it be like seashells  
Hop out, hit a cuh I ain't tryna see jail

They prayed and hated on me, still can't believe that I made it  
out  
Still can't believe that I made it out  
Still can't believe that I made it out  
All the opps they mad as me fuck that I done made it out
