

Babygirl the only one I see is you  
And I don't tap no more but tell me what you need baby  
Girl the way your skin glowing driving me crazy  
Careful what you doing don't be trynna be shady  
When I put this thang up in you don't be trynna be lazy  
Babygirl the only one I see is you  
And I don't no trap more but tell me what you need baby  
When I droptop she hanging out the coupe  
Baby you look good with a lil bit of paper  
What you want Celine or some Jimmy Choos  
Let me spice yo life up give it a lil flavor  
I don't pop no addys I'm off percs it's hard to stay up  
Pop that collar bout my brother shit had really fucked my day u  
p  
Really fucked my year up, every time I think about that boy I g  
et to tearing up  
I don't' trap no more but I got what you need mama  
Girl you pressure I've been trynna blow some steam off  
Got too comfortable I my fucking with my chains off  
That pussy juicy I might lick my fingers like some steak sauce  
Bae that ass tough, bend it over  
Go and touch ya toes I like how you moving  
She walked in and took a seat, I'm out here being sofa  
Then she bust it open I ain't gotta do shit  
I ain't playing games with ya baby girl I'm all in  
Sorry mama I was on the stage when you called me  
Came with pussy and ass I ain't have no involvement  
Anything you need baby ask and you got it

Babygirl the only one I see is you  
And I don't no trap more but tell me what you need baby  
When I droptop she hanging out the coupe  
Baby you look good with a lil bit of paper
