

Can't Change Everything

1905

Just because i can't change everything,
doesn't mean i can't change anything.
Dance on the ashes of what was and fall head first in what could be.
Beyond the barricade...is there a world you long to see?
To envision a world without chains but recognize that we,
as individuals, can only chip away at the links.
One at a time, day by day.
To have the ability to wage quiet wars in our everyday lives,
and recognize the subtle victories when they happen....
An opinion changed by something you said.
A lifestyle adjusted by what you suggested.
A brighter path taken with directions you gave.
A world revealed by what you did.
One brick today is one less for tomorrow.
