

Soul Struttin'

1910 Fruitgum Company

(Spoken:)

Now listen here, honey
I want everybody gather 'round
This is a brand new dance we're gonna put down
Remember that dance by (?) fame
Well, you know something
That dance never really had a name

Soul struttin'
Soul struttin'- yeh

Now when your soul struts you've got to have fun
Like soul brother number one
You put your head back as far as it goes
And let your legs shake , shake out your soul

Soul struttin'
Soul struttin'- yeh

Now put your hands in the air
And give your lover a stare

And start struttin'
Soul struttin'

Soul struttin'
Soul struttin'- yeh

Now when your soul struts you've got to have fun
Like soul brother number one
You put your head back as far as it goes
And let your legs shake, shake out the soul

That's soul struttin'
That's soul struttin'-yeh

Put your hands at your side
And look at your lover with pride

And start struttin'
Soul struttin'
