

# The Train

1910 Fruitgum Company

The train is comin' down the track  
It's bringin' my baby back  
She been gone so long  
But now the train is bringin' her home, oh

Train hurry up  
Bring my baby back  
Hallelujah look it's comin' on down the track  
Train hurry up  
Bring my baby back  
Hallelujah look it's comin' on down the track

There's people all around  
I know they can hear my heart pounding  
It's like a clickity-clack  
My heart is keeping rhythm with the train on the track, oh

I remember the love she gave me  
She remembers the love I gave her too  
And here she comes and it's drivin' me crazy 'cause  
We'll do all the things that we used to do . . . oh, ho

(Train hurry up, bring my baby back  
Train hurry up, bring my baby back)

Ho!

The train is pullin' in  
I'm gonna be with my girl again  
The huffin' puffin' lovin' train  
As she pulls into the station  
Never leave me again, oh

(Oh) Train hurry up  
Bring my baby back  
Hallelujah look it's comin' on down the track (here she comes)  
Train hurry up  
Bring my baby back (it's bringin' her back)  
Hallelujah look it's comin' on down the track (bring her back)

Train hurry up  
Bring my baby back (here she comes)  
Hallelujah look it's comin' on down the track (bring her back)  
Train hurry up  
Bring my baby back (here she comes)  
Hallelujah look it's comin' on down the track
