

Love, let's talk about love Is it
Anything and everything you hoped for?
Or do the feeling haunt you?
I know the feeling haunt you
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
Tell me what you gon' do to me Confrontation ain't nothin' new to me
You can bring a bullet
Bring a sword Bring a morgue, but you can't bring the truth to me
f*ck you and all your expectations
I don't even want your congratulations
I recognize your false confidence and
Calculated promises all in your conversation
I hate people that feel entitled Look at me
Crazy 'cause I ain't invite you Oh, you important?
You the moral to the story, you endorsing? Motherf*cker
I don't even like you
Corrupt a man's heart with a gift That's how you find out who you
Dealin' with A small percentage
Who I'm building with I want the credit if I'm losing or I'm winning
On my momma that's the realest shit Girl
Let's talk about love Is it anything and
Everything you hoped for? Or do the feeling haunt you?

I know the feeling haunt you
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
Skin covered in ego Get to talkin', I get involved
Like a rebound No control
No off switch in the way that you bringing me down It's a turn on
Get it away from me Know you mean wrong
Keep away from me And it's all wrong, get it away from me
Yeah I just cry for no reason
I just pray for no reason I just thank for the life, for the day
For the hours and another life breathin' I did it all 'cause it feel
Good You could live it all if you feel bad Better live your life We
Are running out of time Love
Let's talk about love Is it anything and everything you hoped for?
Or do the feeling haunt you?
I know the feeling haunt you
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
This maybe the night that my dreams might let me know
All the stars are closer
All the stars are closer, all the stars are closer
