

## Call On Me

1927

When the world gets too fast  
See your life rushin' past  
When you come up for air  
Don't you know I'll be there

I will be a shoulder to lean on if that's what you need  
No sweat, don't fear, you can call on me  
I'll be there, carry the load if it's bringin' you down  
I'll be hangin' 'round

When you've come to the end  
You can call me your friend  
When you're feelin' alone  
Won't you pick up the phone

You know I will be a shoulder to lean on if that's what you need  
No sweat, don't fear, you can call on me  
I'll be there, carry the load if it's bringin' you down  
I'll be hangin' 'round

If they're draggin' you in and bringin' you down  
Call me and tell me, you know I'll be 'round  
Breakin' your will, in for the kill  
You can call on me, you can call on me  
You can call on me

Now your story is told  
Worse for wear, feelin' old  
All the pressures apply  
Wanna lay down and die

You know I will be a shoulder to lean on if that's what you need  
No sweat, don't fear, you can call on me  
I'll be there, carry the load if it's bringin' you down  
I'll be hangin' 'round

If they're draggin' you in and bringin' you down  
Call me and tell me, you know I'll be 'round  
They're breakin' your will, in for the kill  
Call on me, call on me, call on me, yeah, call on me  
Call on me, call on me, call on me, yeah, call on me  
Call on me, call on me, call on me, yeah, call on me  
Call on me, call on me, call on me, yeah
