

## All That

1K PheW

Fresh out the box  
Stop, look, and watch  
Ready yet, get set  
It's All That!  
Yeah

Aye, Cardec, I was gon' do an intro  
But I could've been shot paralyzed, in a wheelchair  
In October, right on Halloween, had a real scare  
Had the big God with me then, and He still there  
I can tell if you gon' tell when you can't tell  
It's some folks that want my soul switched, but I can't sell  
I was hurt, but it ain't last long, like a hangnail  
I remember offering when we had to post the gang bail  
Tried to lock me in that fitted room, had to change, yeah  
In eleven, seen some things that was strange, yeah  
Friend of mine got some time for Amanda Bynes (Yeah)  
Lost some brothers to the pen right when I got signed  
Don't be tryna judge again, boy, I know your kind  
In them comments going in, but on sight he blind  
Think about your sin, and then say what's on your mind  
You just tryna cover what you did everytime
