

Back Soon

1K Phew

Young Otto
Young Otto, yeah
Put your hands in the air for Cardec
Ayy, got surfboard in here with me
HGA

Can't go back, used to chase after that
Can't go back, God came to save the day
Looking at the sky like the roof 'bout to crack
(See what I'm sayin', ayy)

Jesus, finna come back soon (Huh)
Finna come back soon (What?)
Finna come back soon
Say what you need to say
Finna come back soon
Finna come back soon
Finna come back soon
And he gon' say
Give it up, better not give me no cap (What He gon' say?)
Give it up, better not give me no cap
I'm not falling for none of that cap
Give it up (What He gon' say?), give it up

Can't go back, used to chase after that (I can't)
Can't go back, caught a case after that (I did)
Looking to the sky like the roof 'bout to crack
With the big man falling through the paint, Shaq attack (O'Neal)
Pull up with the jump, KD (For real)
Gotta show the rock, JAY-Z (For real)
Look up in the sky, say cheese (For real)
Wanna make it in, say please (For real)
Tryna get the flow wavy, yeah
It's a bunch of us, no Brady (You dig?)
Never let an outcast in your circle (Uh-uh)
'Cause I bet he gon' do-re-mi
Never three-way me every day, they got the answers
In the field with all my soldiers, I'm Black Panther
And there's so many states in the thick, I hit New Hampshire
When He come back you gon' ask for one more chance, huh (Boy)

Jesus, finna come back soon (Huh)
Finna come back soon (What?)
Finna come back soon
Say what you need to say
Finna come back soon
Finna come back soon
Finna come back soon
And He gon' say

Yeah, 1K, KB, yeah
Chief don't need a cheat code to defeat them
If there's beef though, it'll be a free throw
Chief cold with the V though
We the depot to the people, Rico's dethroned
Chief told me to be bold
So I'm deep soak over VEVO, one-double-zero

Reach low, got the briefs low to your dome
Reach low, got the peace flow to your soul
Peace won't be the free throw for you long
Chief gon' go beast mode on the frauds
Everybody gotta stand in the end zone
Can't fear God like Lorenzo, uh
You can look alive in the Benzo
Dead as the presidents you depend on
It's on, guap, guap, I got a plane to catch
Uh, I got a, ooh, what, uh, I gotta save some cash
Yeah, yeah, yeah, yeah, I'm tryna bring 'em back, yeah
I see you laughing now, uh, you won't be laughing last
The Savior's coming

Jesus, finna come back soon
Finna come back soon
Finna come back soon
Finna come back soon
Finna come back soon

Big dawg P, I got rank, pull up on 'em, whoa
Wave big, look like the sea (Uh-huh)
Durag, I put wave on the beat (Uh-huh)
New type like nobody got these (Whoa)
Big bag, 'cause I'm payin' my tithes (Okay)
Phew called, it's time to get next (Brrrt)
He just sent me the water, I'm blessed (Blessed)
All the rocket and wave on the 'net (Splash)
Fall to my knees, I got rest (Yes)
Hah, it's Master P for Patton (Patton)
It's not a leak, it's hazard (Hazard)
Don't gotta preach, I practice (Practice?)
I put the blood over everything (Yeah)
I got my hood out the hood and things (Yeah)
The plan that I drew was a good and thing
The stock could not fit in a wooden frame, uh (Okay)
Tone hold a mat, this my essence, yeah (This my essence)
We live on a mission, this a special, uh (Where the cash?)
No L in my circle, this ain't Lexus, P

Jesus, finna come back soon
Finna come back soon
Finna come back soon
Say what you need to say
Finna come back soon
Finna come back soon
Finna come back soon
And He gon' say
Give it up, better not give me no cap (What He gon' say?)
Give it up, better not give me no cap
I'm not falling for none of that cap
Give it up
