

# Baptize

1K Phew

Now, this Sunday, we gon' do it a little bit different  
We gon' have a selection from one of our very own  
Choir, you know what to do  
Take it from the top, let's go!

I'm just gon' sing like the children's choir (I'm gon' sing)  
Every night, I pray for the the one locked up lookin' at barbed wire (Every night I pray)  
Postin' at that Shell, we went through Hell, and it caught fire (Went through hell)  
I was livin' insane, I had to go change, I smelled like diapers (Crazy)  
I'm kicking the doors of the church house (Church)  
But they rather we go and get burnt off  
I put double G all on my church socks (My church socks)  
I did let my light shine in the worst spot  
I go hard in the paint on the first shot (Yeah)  
I can turn up your city the first stop (Woo)  
I ain't tryna go sit where the feds be  
So I had to go dip in the Red Sea (C'mon)

Baptize me  
Baptize me  
Baptize me  
Baptize me  
Baptize me  
Baptize me (Hands up!)

Trap guys, yeah (Yeah)  
Baptize (C'mon, one, two, three, woo!)

Baptize

Granny used to wake me up talkin' bout, "Time for y'all to go to Church"  
Ain't no weapon gon' form, but when I see that belt, it ain't gon' work  
Passin' out the white circle bread, but I'm really used to them Percs  
Pray for me, pray for me  
Tryna make a way for me, way for me  
Taking up offerings (Yeah)  
Used to be broke back then, but [?]  
Repenting my sins  
But I just do it again, I fell in the deep end  
In the holding cell like every weekend  
I ain't tryna go sit where the feds be  
So I had to go dip in the Red Sea

Baptize me (Baptize)  
Baptize me (Woo)  
Baptize me (Baptize)  
Baptize me (Baptize)  
Baptize me (Baptize)  
Baptize me (Hands up!)

Trap guys, yeah (Yeah)  
Baptize (C'mon!)

Baptize

Take me down to the water  
Lord, I'm ready for a dip  
Take my wrath, put it in honor  
Coming on with the drip

I'ma count on my head to the- (Baptize)  
To the souls on my feet, I'ma need you to- (Baptize)  
Woah!

Baptize (Baptize me)  
Baptize (Baptize me)  
Baptize (Baptize me)  
Baptize (Baptize me)  
This has been a 1KF, 116, Tye Tribbett collaboration!
