

End Of The Road

1K Phew

Ooh, aah, yeah, ooh, aah, ooh, aah
Ooh, aah, ooh
I remember when
Ooh, aah, ooh
I remember when
Ooh, aah, ooh
When they gave my brothers five to ten
They been locked up, say board 'em in
Every saint out here like board 'em in (Like board 'em in)
Oh
I remember when, I remember when
When the judge in county tried to see 'em (Tried to see 'em)
I was going down the road like board them in (Like board 'em in)
Every saint out here like board 'em in
Oh, yeah

We need to change
That's some I need some change
I keep the family from danger
I keep the family from strange
Holy is anger, but he still in them chambers
Fall off the hanger, but we still outside
Everything about danger free him
Got a few who just can't wait to see him
And his baby can't wait to meet him
He was always in try the field
And I know sometimes it need workin' and then go wrong
But I know the prodigal change we bring him home

I remember when (I remember when)
When they gave my brothers five to ten (That five to ten)
They been locked in, say board 'em in (Say board 'em in)
Every saint out here like board 'em in
Like yeah
I remember when, I remember when
When the judge in county tried to see 'em (Tried to see 'em)
I was going down the road like board 'em in
Every saint out here like board 'em in
Oh, yeah
Yeah, oh, yeah, oh

Can't help but feel for my nephew
Can't help but feel for my niece
I pray for my sister's saving, please just give her some peace
See the pain all in her eyes
As she holding back the tears
What the mother of her baby's supposed to do in sixty years?
Lost my dawg to the system and I can't mention his name
On my dresser there's your picture
Every day I feel your pain
You made the news, they said the fans in the street
Now I'm screaming out free until you're free

I remember when (I remember when)
When they gave my brothers five to ten (Five to ten)
They been locked in, say board 'em in (Yeah)
Saint out here like board 'em in (Saint out here like board 'em in)

I remember when, I remember when
When the judge in county tried to see 'em (Tried to set 'em)
I was going down the road like board 'em in
Every saint out here like board 'em in (Saint out here like board 'em in)
Now that we've gone to the end of the road
Still I can't help but...
Help me God, oh my God
Change gonna come
