Do a worship just like Abraham but I never had a lot
Think I left my Bible back at home twin I gotta get my Glock
I love my Bible that's my heater
I can walk on water just like Peter

If she say she don't like God I told shawty nice to meet ya

Wash my sins like he bleached em
Smoke a demon like it's refa
This that get back for my people
If you tryna follow Jesus then come slide then
She said she wanna men of God then bring my guys in

Down set hut see a demon I'm blitzing
Put him in the sky like rude I'm blitzing
Turing them pages in the Bible like my fingers is itching
Had the church jumping
Church boys in the hood up to something
Ya I'm with the gang like Charlie Brown cousin
Tackle those demons no 2 hand touching
Put him in the water baptize no ducking
Why you so fake? You rubber ducking
Bible in my hand I'm always clutching
Devil tryna talk end of discussion shhh
Blessing raining down like shhh

Talking to lord cause ik you gone do it now

Kicking down doors ion need no key
In the field God is my referee
Eating this beat like Mac & cheese
