

Grateful

1K Phew

Yeah

Uh, uh, uh-uh-uh-uh

Uh-uh-uh-uh

All that cappin' (Cappin')

Tell the truth, you never shot that ratchet (True)

In the mail, you never got that package (Package)

Really, you should be grateful, be grateful (Let's get it)

All that cappin'

Tell the truth, that ain't what really happened (True)

All these rappers out here, Denzel actin' (Actin')

Homie, you should be grateful

'Cause He saved me (Let's go)

And He saved you (He saved you)

With the bullets flying all around me, He came through (Pew, pew, pew, pew)

'Cause you know we never would have made it

But He made you (Never would have made it)

And I remember when I was broke, trying to get paid, too

When you pull all the homies down to the ground, that can change you

I done seen it all (Seen it)

I done ran off from the plug, yeah, man, I'm takin' off

But guess what granny faith do?

When I almost hit the ground, I end up standing up on the same two

When I played truth or dare with my life, had to remain true

Most of these so-called hitters ain't hitters

These so-called killers ain't killers

These streets ain't gettin' no millions

All that cappin' (Cappin')

Tell the truth, you never shot that ratchet (True)

In the mail, you never got that package (Package)

Really, you should be grateful (Grateful)

Be grateful (Grateful)

All that cappin'

Tell the truth, that ain't what really happened

All these rappers out here, Denzel actin' (Actin')

Homie, you should be grateful (Grateful)

'Cause He saved me (He saved me)

And He saved you

He saved you, saved you, saved you (Comin' in, He saved you)

He saved you, saved you, saved you (Oh, I want to cry)

He saved you, saved you, saved you (Right out of the trap house)

He saved you, saved you, saved you ([?])

He saved you, saved you, saved you ([?])

He saved you, saved you, saved you

Ooh, ooh

Ooh-ooh

All that cappin'

Tell the truth, you never shot that ratchet (Ooh-ooh)

In the mail, you never got that package (Ooh-ooh)

Really, you should be grateful, be grateful (He saved)

All that cappin'

Tell the truth, that ain't what really happened (Ooh-ooh)

All these rappers, Denzel actin' (Ooh-ooh)

Homie, you should be grateful
'Cause He saved me
And He saved you
