I need bags, attention on me, call me back
Money bags, into my soul, You buy me back
Greed and swag, lowly, humble, which one lasts?
Them demons steppin', blow them things back like Christmas Past
Let go, live crazy, let go, live life
Can't help myself, You took them stripes, You took my strength
How I keep forgettin' folks but try to leave my wife? (I mean it)
Memphis, Rocky, hear your Father, turn your cheek, don't fight
I'm rappin' my tail off, I'm shippin' the mail off
I'm givin' my prayers, I'm takin' my hands off
I awake in the mornin' then get out the box like Kellogg's
So much from day-to-day, feel like I'm featherweight
Gave it to God and took care of
Hey, Phew, I let go, let God
Let me go catch my red-eye

(Let's go, let's go) Let's go, let's go, let's go, let's go
(Let's go, let's go) Let's get it (Let's go)
