

No Goofy Movie

1K Phew

[?], yeah, yeah, yeah
Ayy, I just finished the album too, man
Put your hands in the air for Cardec
Cardec, what we doin'? What we doin', C? Yeah

Call me Ludacris, back for the first time
Probably up right now 'cause I made it through the worst
I never been chicken, but I still go to church
I'm givin' out cash like Grandma's purse
I give it like "Here you go, baby"
You better not spend it at once, that's lazy
I told you 'bout all of that misbehavin'
You messin' up the vision, that's so Raven (That's so Raven)
Hey now, what you say now? 'Bout to put it down (Hey)
Come and take a ride with the Phew now
I make a demon drop like I'm Juvenile (Drop)
I came a long way like a unibrow
Hot lava on the ground, don't look down
Had to throw my hands up and get a rebound (Hands up)
Free the gang, man, they should be free now
If it ain't A-Town, I'm from the E-Town
I ain't makin' no goofy movie
Platform shoe, big stepper, I'm groovy
Comin' in smoother than jazz and smoothies
These rappers lyin', I'm tellin' you truly
Tryna get the world to see the point like "Who, me?"
You don't get the picture if you say you just drew me
Gospel rap is back, ooh-ee
I'ma say it loud and proud, Trudy! (Ooh-ooh-ooh, ooh-ee!)
