

Rollercoaster

1K Phew

Yeah, I'm outside
Moses with that water, Six Flags, water slide (Moses)
You know the vibe (You know the vibe)
Yeah, I got a ticket in my pocket (Herothaproducer, woah)

It's up, rollercoaster up, rollercoaster stuck
Yeah, look at my ride, yeah
Stuck, yeah, top of the roof
Stuck, yeah, I'm outside, when this rollercoaster up, up, up, u
p, up
Rollercoaster stuck, up (I'm outside)
Up, rollercoaster up, up, up, up, up, up

Where'd you get spit?
I want the sick
Got no regrets
Ooh, too happy way back then
Oh, got blessed
I just wanna see all my thoughts in big faiths (All my thoughts
)
Know what's next
Go again (Go, g-go)

I'm outside (Yeah)
Moses with that water, Six Flags, water slide (Yeah)
Will you come right here or stay right there? Pick a side
Got a ticket in my pocket (I'm outside)
It's, up, up, up, up, up, up, rollercoaster stuck, up (I'm outside)
Up, rollercoaster up, up, up, up, up, up (I'm outside)

We done made it through that drop out, gotta thank the Lord
Spent the ticket on some things the devil can't afford
Heard a lot of gunshots in my life, I'm still paranoid
Heard a few choppers raining outside, sounded like a hell storm
Heard a few girls screaming at the top, might have to pray for
'em
She got some skeletons in her closet
And she did some dirty things for that private (Dirty)
Huh, tryna find a ticket in her pocket

It's up, rollercoaster up, rollercoaster stuck, yeah, yeah
Look at my ride, stuck, top of the roof
Stuck, yeah, I'm outside when this rollercoaster up, up, up, up
, up
Rollercoaster stuck, up (I'm outside)
Up, rollercoaster up, up, up, up, up, up (I'm outside)
(I'm outside)
