

Safe

1K Phew

Yeah, I remember like yesterday, just runnin' and playin' my pl
ug

Then I ended up goin' left for no love

Hoppin' out that driveway, we thought we got away with doin' dr
ugs

When we hit the highway, they started to hit the car with them
slugs

I was prayin' "Lord, I ain't goin' out like this

I been runnin' 'round for a long time and I'm tired of it

Yeah, it's a whole lotta consequences when you finally rich

But if you get me out of this jam, Lord, I'ma go to church ever
y Sunday"

Keep me safe, now lay me down to sleep

And if I'm hurting, get to my knees and pray

Every night, every day, until the sky hope for mercy

I'm not livin' for the trophies and fame

If today's my last day, I'ma live it up (Live it up)

Want some life and love and reason in my Solo cup (Solo cup)

So let the church say ayy, oh-oh-oh-oh (Yeah)

I hope my angels keep me safe, I hope my angels keep me safe

Prayed up, amen, safe to say I had to earn my second chance

Tryna get me life up still, but they don't know I know the Big
Man

Head high, Mama always told me "Boy, you better quit playin'

'Cause life ain't nothin' to play with, streets gon' swallow yo
u up like quicksand"

If they cuff you up and take your life away, you screwed

I ain't tryna be another one on that list, gone too soon

'Cause I just gotta make it back to my kids, I got a few

Tryna pay my dues, I had somethin' to lose

'Cause I always had my neighborhood on the news

And I'm livin' proof, but I got nothin' to prove

And I brought my brothers, might as well save them too

Even when I was dead wrong, they would ride for me

And I got some dead-end gone, been inside of me

Lord, they don't play like homies, I'm for real

Fell to my knees 'cause I'm the one they tryna kill

Lord, keep me safe, now lay me down to sleep (Yeah)

And if I'm hurting, get to my knees and pray

Every night, every day, until the sky hope for mercy (Yeah)

I'm not livin' for the trophies and fame

If today's my last day, I'ma live it up (Live it up)

Want some life and love and reason in my Solo cup (Solo cup)
