

# Sunday Night

1K Phew

Mr. Hanky

This is how we do it  
On a Sunday night  
Sunday night, one time for the Sunday night  
Yeah, go like Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday night  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday night

Thank God for the week and thank God for the weekend  
But it's somethin' 'bout Sunday maybe that's the one day  
Where it all began  
Ha, nah, for real  
It the top and the light King of the Hill  
Only time when I'm down on the ground when I kneel to pray  
Thankin' God for my free will  
I ain't gonna flex I hope that I hit the millions  
Aimin' at the Devil 'cause he will run  
And he's wiped up 'cause I'm finally stripped up  
Everyday I'm pipped up like Uncle Phill's son  
Little Bill live forever call me Master Williams  
Savin' these folks like Pastor Williams Murphy  
I don't think you heard me  
Never been sweet I know God won't desert me  
Yeah, and I know Satan wanna hurt me  
Pro'bly wanna "Rest In Peace" shirt me  
But he could never six feet dirt me  
I'm standin' like I'm 116' feet tall  
Jumpin' to the top like a big league brawl  
Straight up out the mud like some pig's feet though  
Haha, so turn me to the water, go ahead and take me to the water  
Life gettin' hard so it's time to go harder  
I been goin' dumb so it's time to grind smater  
Plugged in like a charger
