

And you know what it is, yeah
Gave me the rock and it go in the rim, woah
Why would you judge don't know where we been, yeah
Look at my eyes and what do you see
Yeah, NBA

Superstar, pass the caviar (yeah)
Play your part, you should play your card (yeah)
Superstar, yeah, gave me the rock and it go in the rim (Woah)
Yeah, superstar, swish
Rise and shine, must be time, bottom line, yeah, yeah
Rise and shine, must be time, bottom line

And it get lonely when you live here
Look in your rearview when you shift gears
If you don't know nothing keep your lips sealed
That's what I'm learning from this year
How you gon' tell me, just can't fail me
Feeling some jealousy, yeah, yeah
Man went LOV, staying up Wessley, slaying that Pressly (yeah)
And it's all he had, told him keep that bag
But I can't get mad, I ran it, I ran it up
Yes he did, for the memories, and the melodies
So you know I'm man enough

Superstar, pass the caviar (yeah)
Play your part, you should play your card (yeah)
Superstar, yeah, gave me the rock and it go in the rim (Woah)
Yeah, superstar, swish
Rise and shine, must be time, bottom line, yeah, yeah
Rise and shine, must be time, bottom line

Never gon' play your you part, you get us apart
A new Bentley Cooper's a star
No one thought that I would make it this far
But you always told me baby boy you a star
These other girls make me coldhearted
So I covered it up with this chrome heart
Sitting on the edge, almost dove off, never knew that the bottom was so far
First-round draft pick I came up from nothing now I got it lit
Finally got it on lock now look at my eyes but they wanna switch
I been thanking God every day never thought that I'd be living like this
I was fighting through the pain now I got VVS's all over my fists, yeah
I'm a superstar, I spent twelve hundred on these jeans and I don't even know
what they are
I got hundreds stuffed down on my knees I'm havin' a hard time taking em' of
f
I been thinkin' 'bout takin' a leap of faith
I know that he breaking my fall, yeah

Superstar, pass the caviar (yeah)
Play your part, you should play your card (yeah)
Superstar, gave me the rock and it go in the rim (Woah)
Superstar, pass the caviar (yeah)
Play your part, you should play your card (yeah)
Superstar look at my eyes and what do you see?
