We that brand new spankin' wave, I feel like a Navy SEAL

Never go nowhere without the plug, I'm makin' plays
Every time I read up I look up and give Him praise
We so lit, we 'bout to blaze, are you with it? Are you lame?
Got a proud fam, don't got time for [?]
Winnin' either way, my team stunt like Lisa Ray

Livin' out my dream, I don't ever wanna wait
Man I love my team, Lord please don't let 'em break
Feelin' so important on a Friday night
