I been out the way so long
I feel like a caveman (Like a caveman)
Yeah, I put my wrist in the water
Came out, did a praise dance (I did a praise dance)
Yeah, I got a Louie umbrella with me when it's rainin' (Rain)
I gotta stay down and be with the people (Yee)
Counted the bread and deal with the fish (Right)
But do not compare me to Jesus
