You [?] be postin' loud with all kinda sin  
Now I'm makin' hits up in the lab then I dab again  
Walk up in the buildin' wipe me down then I dab again  
Hold up, wait a minute hater, what you say?  
Hold up, wait a minute hater, what you say?  
It don't really matter, I don't need your input anyway  
'Cause at the end of the day is what I'ma say

So when we goin' up, we goin' one way  
Drippin' all the sauce we need a runway  
All my cousins came a long way from that gun play  
That's why everyone around me keep it 1K  
'Cause I want to see my Jesus someday  
Ev'rybody live, MC Hammer [?]
