It's time to get it
And feed the hood
Oh yeah, we did it (yeah, we did it, yeah we did it, yeah we did it)
I knew we could
Naw for real

We ball for real
Can't fall for real (uh-huh)
Up so long
Got folk thinking I'm tall for real

Making power moves together
No electric slide
Yeah ok, let's do it (let's do it)
Need a mop, I'm dripping fluid
Why the world so shocked we do it (do it)
On the track like Carl Lewis (I'm gone)
Think about that Wonderland
Made it out Afghanistan (we do)
They don't want no smoke with us (no smoke)
Cause they might get second hand, whoa
