

## Dance With Me

1nonly

Dance with me, and I'll sing to you  
A symphony, won't you kiss me?  
Shut me up, please  
She's a goddess, a wish from stars  
In my heart, oh, oh  
Oh, yeah

Ayy, dance with me, and I'll sing to you  
A symphony, won't you kiss me? (Yeah)  
Shut me up, please  
Dance with me, and I'll sing to you  
In my heart, oh, oh  
Oh, yeah

Yeah, ayy  
Everything was bad, everything was wrong  
She just wanna see me roll on the floor  
She just wanna see me [?] in the fall  
She just wanna see me lose it all  
Like, my heart's been hurt, and you still d-do this  
Like, like I'm so clueless  
Everything was bad, everything was wrong  
She just wanna see me roll on the floor  
She just wanna see me [?] in the fall  
She just wanna see me lose it all  
Like, my heart's been hurt, and you still d-do this  
Like, like I'm so clueless  
Everything was bad, everything was wrong  
She just wanna see me roll on the floor  
She just wanna see me [?] in the fall  
She just wanna see me lose it all  
Like, my heart's been hurt, and you still d-do this  
Like, like I'm so clueless

Dance with me, and I'll sing to you  
A symphony, won't you kiss me? (Yeah)  
Shut me up, please  
Dance with me, and I'll sing to you
