

Riding with my chrome and I'm smoking on some dope mane
Riding with my chrome and I'm smoking on some dope mane
Riding with my chrome and I'm smoking on some dope mane
Riding with my chrome and I'm smoking

Smoking out the gas pack (bad bitch, ass phat)
Getting money fever I don't think you niggas had that
In and out the banks wit them checks I had to cash dat
Playing round with death and playing with me, it's the same thing

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo

Screaming motha fuck a hater bro
Anybody want it they can get it I'm like "ay lil bro"
B-b-bullets made for a nigga yeah these tailored bro
Purple in my cup, looking like da fit up on Chowder bro
Don't get rowdy in this bitch ill leave yo head blown

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo (alright, alright)

Fuck dat, step back, bitch I'm riding wit this Mac
Try me if you wanna I'm more deadly than a heart attack
Moving tac, cuz I know it's niggas that want lay me flat
Stanley Steamer cuz my heat get hot, meet my automat-
Glah
YRG I got dat metal on my leg
Bitch it fucked me up when my dog let them hoes get in his head
How you let them gas you up, pump yo head with lies
Switching over coochie mane I'm honestly surprised
Kick it wit dat hoe, you lost all yo gang ties
See dat niggas eating now, four course meal with sides
Let a nigga do his thing he brought his own demise (He did it to himself)

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo

Bitch I pull that trigger back
Mac split em like a pack thrax
Smoke em like a spliff

Too much paper in this back pack
Heavy bullets is contagious
.40 pushin hazmats
Cryin over pussy bitch
I thought that we was past that
Why you worried bout it uh
Benjies breakin pockets uh
I ain't fuckin with yo bitch
Lil boy I ain't the problem
Breaking locks I cut the gossip
Paper chasin' get a grip
Smokin' till I'm in my coffin
Payin homage to my livin
Yeah I noticed all the time
That you ain't never hit me
Til' the paper came in line
I up the switch I put that
Metal jacket thru his spine
Bitch go put that pride aside
Lil boy ya gang aint neva show
I'm smoking on that thrax until I-

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo

Creep up on em slow, sliding on a hoe yuh
Choppa with the monkey nuts I let em hanglo
You da one I'm gunning for you better lay low
You can not respawn once you get this halo
