Hi, is this Prodigy?

Said, "Girl, you so fine"
Wanna make you mine, but you always fuckin' playin'
And be wastin' all my time
Like, you is a fuckin' thot, but I'm still up on your line
Every time I'm in my head (Ayy, yeah, ayy), you is always in my mind
Now I'm countin' big checks, big flex on you bitches
If you talkin' all that shit, I'ma leave yo' ass with stitches, ayy
If that's your bitch, why she all up in my mentions?
Girl, I wanna be with you, but all these thotties I be ditchin'
