

One Night

1nonly

Shenrxn
Nathan

She don't lie
I just wanna love you for one night, ayy
We can watch a movie and we can get some fries, ayy
Come and vibe with me, baby, we can take a ride (Take a ride)
I just wanna love you, baby-baby, 'til we die
She don't lie
I just wanna love you for one night, ayy
We can watch a movie and we can get some fries, ayy
Come and vibe with me, baby, we can take a ride (Take a ride)
I just wanna love you, baby-baby, 'til we die

Hold up
Hold up, wait, wait, wait, wait (Hah)
I can't deal with none of these hoes, they wanna link (Wanna link)
They think that I'm Sonic the way I want a ring
But girl, I ain't no simp, yeah, shawty, I'm a king
Hold up
Hold up, wait, wait, wait, wait
I can't deal with none of these hoes, they wanna link
They think that I'm Sonic the way I want a ring (Nah, nah)
But girl, I ain't no simp, yeah, shawty, I'm a king
Okay, I pull up in that Wraith
Diamonds on my neck and they look like lemonade
I stay steady flexin', I ain't never ever change (Nah)
Baby showin' love now, but now I know it's all fake (Fake)
Shoutout all my day ones, y'all the reason that I'm stay (Stay)
Shawty said she love me, I told that girl, "Give me face" (Give me face)
These hoes, they be textin', but they want me for the fame (For the fame)
Thinkin' they can get my heart, but it's locked in a safe (In a safe)
I don't care about no love, I care 'bout gettin' paid

She don't lie
I just wanna love you for one night, ayy
We can watch a movie and we can get some fries, ayy
Come and vibe with me, baby, we can take a ride (Take a ride)
I just wanna love you, baby-baby, 'til we die
She don't lie
I just wanna love you for one night, ayy
We can watch a movie and we can get some fries, ayy
Come and vibe with me, baby, we can take a ride (Take a ride)
I just wanna love you, baby-baby, 'til we die

Hold up
Hold up, wait, wait, wait, wait
I can't deal with none of these hoes, they wanna link
They think that I'm Sonic the way I want a ring (Nah, nah)
But girl, I ain't no simp, yeah, shawty, I'm a king
