Where you get the whistle name? You get it from my granny  
Niggas wearing change nigga, it's not no grammys  
All on the beat, these niggas cap like my daddy  
Prolly right now I'm gettin' talked 'bout my family  
If I don't meet a nigga expectation, call him Stanley  
If I don't meet this bitch expectation, tell her past me  
Bitch lost me, she wasn't on her shit when she had me

How these niggas songs be so rich, but thet ain't got shit  
Shit imaginary he rap about it, but it's not his  
Brokeback Mountain that's where niggas get designer shit  
He only brought a feature when I told him bring the product in  
It's a beauty pageant, everyday niggas be modeling  
I get new pussy everyday, bitches be poppin' it  
Fuck proof, go ask my bitch, I'm the toxic kid  
High as fuck, I forgot her name after she swallowed it  
I barely had my first one, but I got a lot of kids  
Fuck a car wash, I told a broke nigga clean this  
Instagram comments got me dead, but I was dreaming  
I just sat back and watch a nigga get deleted  
She asked: "Can I draw?"  
So I nutted on her cleavage  
Niggas handing out advice I gave her all penis  
Bad at the bitch was so bad I let her keep it  
Last place your bitch was so trash, I let you keep her

She spit my kids out, she fucked up our family  
Where you get the whistle name? You get it from my granny  
Niggas wearing change nigga, it's not no grammys  
All on the beat, these niggas cap like my daddy  
Prolly right now I'm gettin' talked 'bout my family  
If I don't meet a nigga expectation, call him Stanley  
If I don't meet this bitch expectation, tell her past me  
Bitch lost me, she wasn't on her shit when she had me

I just gave her suicide dick, she ain't stop tripping yet  
Already did that to the I yeah, now let's go crash the vet  
They said you was driving too fast  
No, I was skid necked

Posting pounds, but can't smoke it, he is daddy  
'Cause you don't just be doing shit like that, it's in your family  
Fuck a pill 'cause I got bitches looking for the addy  
I go by 1Take  
Why bitches calling me they daddy?  
Four words bitch, I'm too attractive  
Niggas always tryna add me up, subtract 'em  
You ain't never had this many options, it's a raffle  
The biggest bitch gave me fire head, I was baffled  
I be super chowder to a bitch, she get tackle  
Bum to these niggas, to they bitch, I be handsome  
Found ten thousand doing laundry, it was random

I just made somebody bitch get naked, I was laughing  
She don't let you drive, but if I need it I'm a sag it  
He was getting broke while his lil' bitch was getting ratchet  
Call him lil bro, call his bitch lil' ratchet  
I'm runnin' the niggas, they'll never be at sex fifth  
I can really dress, if they don't got shit, I don't grab shit  
You the type to snatch the whole shit shirt off the mannequin  
You the type to hear fireworks and start panicking  
I put miles on these bitch, but we never traveling
