What I fuckin' with (LowTheGreat)  
I fuckin', fuckin' (Ayy)  
With no chicken-head bitch  
Wait, hold up  
I'm finna turn this bitch up

Bitch you feel cougar with two kids, we can't cuddle  
Bitch, if you not digging what I'm saying, get a shovel  
Bitch, why the fuck your pussy hairy cut the jungle  
She thinks she the shit with the bullshit is bundles  
She thinks she the shit with the bullshit is bundles  
She thinks she the shit with the bullshit is bundles

You ain't shit if you ain't got the hair by KitKat  
Glamorous man low on my bitch and her ass fat  
Grabbing her bundles, gettin' slurping the fast track  
Grabbing her bundles when I'm done, take your bitch back  
Her baby hair is like me 'cause they get laid  
She's 21 and she a savage, don't get slaved  
Her hair done every week, she don't save  
This bitch the reason why her hairstyle is paid  
She get box braids side parts and middle parts  
If you ain't paying for it, you can't get none of that middle part  
She a thick light-skinned lil' bitch, but like her liquor dark  
When I hit her from the side, it make the pussy fart

Bitch you feel cougar with two kids, we can't cuddle  
Bitch, if you not digging what I'm saying, get a shovel  
Bitch, why the fuck your pussy hairy cut the jungle  
She thinks she the shit with the bullshit is bundles  
She thinks she the shit with the bullshit is bundles  
She thinks she the shit with the bullshit is bundles

She was mad when she said my dick ain't big enough  
I could see her scalp 'cause her ball kept lifting up  
If you could afford to get it done, you would've did it up  
Bitch, right before I take you down, just pin it up  
If your hair never done, you can't get me up  
If your baby hair not bussin', you a pretty bum  
Her hair did, I'm on her mama, she like 51  
My cougar called me a bad boy, like P Diddy son  
If she complain about her hair, I'ma get it done  
She want it done out of state, I'ma get it done  
It's her B-day, I got cake, I'ma get it done  
If her head top tree, I bet her hair done

Bitch you feel cougar with two kids, we can't cuddle  
Bitch, if you not digging what I'm saying, get a shovel  
Bitch, why the fuck your pussy hairy cut the jungle  
She thinks she the shit with the bullshit is bundles
