My advice is stop playin' if you not balling  
I don't call it balling, nigga, I just call it Chris Paul-ing  
Call me Blake Griff', but I'm not with the Clips  
If your bitch keep looking, I'ma dunk on your bitch (Ooh)  
That just mean you play with me, then you gon' get your bitch hit  
I'm shooting all shots in her mouth with this big stick  
Big rig, when I come through, I come to hit shit  
My dick, her lips, no ride, no lisp  
Like a pimp nigga, get it off a bitch  
I'm a fly ass nigga so it's all off the drip-drip
