It's that shit you get nasty to
If you don't wanna get nasty, bitch, don't listen
Wait, hold up

Put it in your u, ah-ah, freak talk
Stick it in your u, ah-ah, freak talk
Let me touch the u, ah-ah, freak talk
Twerk like you fuck, ah-ah, freak talk
Put it in your u, ah-ah, freak talk
Stick it in your u, ah-ah, freak talk

She text "let's fuck" in all caps, she the boldest
I'ma turn her up, she actin' like she want a bonus
The way you talkin' freak talk, you must be loaded
Like a ride-ass Six Flags, I'm ready to hop on it
Let me see your brain, bitch, I fix heads
Fuck bands, I got good sausage in these pants
She not dancin', but I got her shakin' by the legs
Your friend could get it too, this bike came with pegs
Uno dos tres cuatro, that's how I'm playin'
Call me impatient, throw it back soon as you land
Like a lifeguard, I took your bitch to the sand
I'm in Monclisy, gettin' blew back by a fan

Stick it in your u, ah-ah, freak talk
Let me touch the u, ah-ah, freak talk
Twerk like you fuck, ah-ah, freak talk
Put it in your u, ah-ah, freak talk
Let me touch the u, ah-ah, freak talk

Her daughter my age and she a mil, she like forty
She just wanna kick it with her uh, she a goalie
Pin her to the uh uh, McFolly
Say hello to my little friend, ninth Toni

Five in the morning, pretty Ricky, freak talk

Hit her from behind and put my thumb in her ear
I promise I hit real sisters' sisters, not Tia
Bounce, biggity bounce like my name Dick Freda
I hit my squabble in that shit like I'm Cheetah

I'm a animal, I'm getting head all in cheetahs
Tuck that dick right, I ain't gone buy you no Adidas
Tongue in her ear, telling her I need that
She replied, "Let's fuck," that's her feedback
Here go a pillow, don't keep fucking up your kneecaps
Niggas at home watching porn with a grease ass
