Scum, tell Uno load it up
Scum, tell Uno load it up, now I'm locked in
Wait, hold up

I changed my name to John Cena, I can't be seen
Jacket Supreme, eleven hundred what I paid for the jeans
Benjamin Franklin make a bitch do the nastiest things
A walking lick, I'm by myself with the flashiest bling
Bitch, I can't even fit my bag in the baggiest jeans
Nigga, I'll still fuck a bitch with the ratchetest teeth
I had the bitch leg in the air, we gon' call this the lean
Like a Jolly Rancher, I'm gettin' hard, keep suckin' it please

I just sweated out her edges, she ain't letting me breathe
I just gave her lockdown, I'm the legend for D
These bitches gave me whole pussy, they gave you the tease
I made her leave, instead of mouth, she gave me some teeth
Ayy, get this bitch out of here
She lettin' all the homies fuck, this bitch can't be mean
Ayy, get this bitch out of here
He's still tolerating this shit, he can't be mean

Since high school, bitch got big, now she acting humble
But I used to lift a lot of weights, nigga, I'll still fuck her
That bitch gave head so good, I go shoot at her brother
