Pull some of that bass out, Bruce

She runnin' back like an athlete  
She let me hit it in the backseat  
Ooh, I knew she was nasty  
She don't wear no panties  
I'm a freak so don't ask me  
She a ho, but don't tax me  
No school, but she classy  
I love to F so she pass me  
Called her an Uber or a taxi  
This bitch tryna Snap me  
I got a bitch, so don't at me  
The block list come in handy  
She like, "How you high fashion?"  
Bitch, I'm broke if you askin'  
I turn a shack to a mansion  
'Cause bitch, I know magic  
I might trip, but don't panic  
You want this dick, you can have it  
Tell a bitch to get it crackin'  
She said, "Nigga, I'm brackin'"  
Ass fat, I'ma max it  
Eat the box on the mattress  
Rap bitch out the [?]  
Beat it like an enemy, I do all 'cause [?]

'Cause I like 'em nasty (Ayy, I like 'em nasty)  
Don't know my name or my age, but she call me daddy (Ooh, I like that)  
She pulled the dick out in church, 'cause I like 'em nasty (Lord, please for  
give me for all my sins)  
Middle finger up her skirt, 'cause I like 'em nasty (You ratchet, baby)  
Girl, I'll pay you if you work but you gotta be nasty

I got a bitch named Sharika  
AKA the real freaker  
But I be FaceTiming Lisa  
'Cause she a real eater  
But I'm in love with Khadijah  
'Cause she the dick pleaser  
Tell her nigga he can keep her  
I'm independent, I don't need her  
She playin' games, I'ma cheat her  
Like a rake, I'll leave her  
But if she hungry, I'll feed her  
I'm hot and ready, Lil Caesars  
Tell me how you wanna do it  
I'm tryna fuck, but she blew it  
Good dick make 'em foolish  
With the head, make 'em lose it  
She payin' fee like I'm suin'  
She look at me and start droolin'  
Make it clap for my Snapchat  
Fuck it up, you a rat rat  
You say you got it, throw that ass back  
Like Garfield, she fat cat  
I fuck once then I pass that

She old news but I don't backtrack

'Cause I like 'em nasty (Ayy, I like 'em nasty)

Don't know my name or my age, but she call me daddy (Ooh, I like that)

She pulled the dick out in church, 'cause I like 'em nasty (Lord, please for
