Oh Okay Hunnid
Wait, hold up
I'm finna turn this bitch up

I caught them niggas tryna beat me, now I'm on a beanie
If he act childish, time out, where you standing? Just leave him
Barely alive with that shit on 'cause my life not easy (Laudiano)
Don't call this a Moncler, it's a new Moncleezy
Don't call this a bubble coat, it's a new Moncleezy
Barely alive with that shit on 'cause my life not easy
I'm a ghetto boy that bossed up, they callin' me Peezy
Don't call this a Moncler, it's a new Moncleezy

I forgot my alphabet, but I know AMG
What the fuck is the ignition? I'm allergic to kiss
What the fuck is a LiveIt? 'Cause Amiri on me
What the fuck is a bad bitch? A human on my D
Same Amiri fit, I'm grant me for the next three days
Fuck a bird bath, 'cause I get hundreds after that, I'm a bae
Laced up, and I'm ready for whatever, so don't ruin my day
He got an afro, and he now, my homie, can't get no fade
He doin' all that clout chasin', still ain't got no fame (He broke)
He chasin' after bum bitch that don't call him bae
She only been to church one time, yo' bitch not saved
Don't say I can't, 'cause I can hit her and won't catch no case

I caught them niggas tryna beat me, now I'm on a beanie
If he act childish, time out, where you standing? Just leave him
Barely alive with that shit on 'cause my life not easy
Don't call this a Moncler, it's a new Moncleezy
Don't call this a bubble coat, it's a new Moncleezy
Barely alive with that shit on 'cause my life not easy
I'm a ghetto boy that bossed up, they callin' me Peezy
Don't call this a Moncler, it's a new Moncleezy

Tryna be me, but he ain't ever told a bad bitch beat it
How you one take it if you ain't never told a bad bitch eat it?
Your lover see me get a text and she happened to read it
I'm not her nigga, Dr. King, bitch happily dreaming
Before the fame, every text, she just happened to read it (Why?)
When I start rapping, they start cappin', now I pull up the cleanest
His gold don't got three nines, they bullshit pieces
They ask me how I get to that bag, Hellcats and Demons
Some niggas gotta wait to the first I spend racks at Neimans (Racks)
It's really easy to get the money, you gotta manage and keep it
A lot of niggas be hatin' on me for no good reason
Never hesitate to fuck it up when I see niggas peekin'

I caught them niggas tryna beat me, now I'm on a beanie
If he act childish, time out, where you standing? Just leave him
Barely alive with that shit on 'cause my life not easy
Don't call this a Moncler, it's a new Moncleezy
Don't call this a bubble coat, it's a new Moncleezy
