If you go to my house, there's Alizé in my house (4BiddenFruitBeats)  
I don't drink no mother fuckin', Alizé, but bitches do

Ashes on the mirrors, liquor in my kidneys

She ain't got a type, but the bitch was fake picky

Leave 'em where they at, I found out these hoes friendly  
She got a piggy bank, but that bitch ain't got no pennies  
I'm stirring a pot 'cause my life costs chilly  
It's dinner time, why she got a mouth full of Grizzly?  
We matching energy, I got a mouth full of titties  
Fuck love, I told her, "We could fuck, come get with me"  
She text back under three minutes, "Ooh, it's litty"  
She dark skinned, she like dark shots of the Henny

Niggas scared to pull up when she stay, call her risky  
She a shy girl, but that ass almost killed me  
Poppin' grease at her, what's the reason you not with me?  
First to death, clean as a bitch, your nigga filthy  
Venturous, then she gave me head to uplift me  
You sent for it, that's a broke nigga tendency  
Mortal Kombat took her to the back and told her finish me  
Sub-Zero, the weight my neck hidden, this giving energy
