We now the truth  
Gang N EM No Lames still  
(420 Tiesto)

All she wanna do is eat nuts like sandy  
Never leave the crib without my Glock it come handy  
She say she wanna paint somethin like Mandy  
Soon as I walk in the room the bitch soaked her panties

I'm off the perk and her guts going hammy  
Stroking it for an hour damn near pulled my hammy  
If she old and kinder bad I might pull your Grammy  
Bitches do the wildest things just to get some ()  
These niggas bums you can't get in the club with them tacky clothes  
The only thing you niggas used to, is raggedy hoes  
Everybody you see me with packing poles  
How you say you the plug with 2 bag of loafs?  
I can show you niggas how to stack some dough  
Turn 10 into 50 like a magic show  
They like Ralfy why you always tryna Mack my shoes?  
Bitch your baby daddy ain't nothing like me average joe  
Gang N em turn a nigga head into some sloppy joe  
She know if she ain't got no money she should not approach (the plug)

All she wanna do is eat nuts like sandy  
Never leave the crib without my Glock it come handy  
She say she wanna paint somethin like Mandy  
Soon as I walk in the room the bitch soaked her panties

(Wait hol up)  
The blunt got us vertical  
Bitch drop your panties I love your hair  
Bitch I'm not cappin swallow daddy  
Bitch I got a daughter please stop calling me daddy  
Get the fuck up out my face ion pop xannies  
She a vegan but I got her trying crabby patties  
How the fuck she slim and thick? She got a fatty  
Send a text with emphasis like " Bitch drop that Addy"  
Niggas giving rings like they bitch won an [?]  
Nigga asked me "do I know his bitch?" I said sadly  
I'm not going back and forth about hoes these niggas sassy  
She clean all the inches on my dick she do it classy  
Put a whole in one if niggas play, just call him Randy

Aye left a Bitch broke I made her cry her eyes out  
For a nickel, nigga bout to see the cannon wild out  
Somebody get this nigga mama I just knocked her son out  
Monkey bars get to swinging, it ain't shit to slide down  
Your bitch tell you about me you start crying when I'm mentioned  
You know I'm with the plug don't get socked with the extension  
I hit you big homie, make you put him in your pendent  
Your grandma got good and she be taking out her dentures  
You had the same chain since 0'7 that bitch outdated  
Leg on the chop you can run but you can't out race it  
You step up imma leave him on the ground like I'm out raking  
3k's hang a black nigga but I'm not Racist  
Think I'm animated so I fuck and make her hand tie

This big chopper cut his truck in half he got a semi  
She want a piece of me lil Ceaser bitch I've been high  
I'm OT cruising in CA but I'm from MI
