

Wait hol' up I'm finna turn this bitch up

I ain't fuckin' with no condom, let me feel coochie  
I'm a different type of nigga, I don't feel groupies  
I got her naked on my live like I'm Lil Boosie  
She a set up lil bitch, tricky maneuver

Mind-blowing conversations, I'm talking to shooters  
If you ain't got a car go slide in an uber  
In LA, you a gerb, in the Bay you a thooter  
Yo nigga broke how it feel to be fucking a loser

Why got yo legs open? We not finna do it  
She ain't never gave me head, finna talk her into it  
First time for everything, I knew you could do it  
Dick like bubbalicious, she still chewin  
I wacked the whole dice game aye who still shooting  
I used to steal niggas bitches, wait I still do it  
If we talking about the money then I'm real fluent  
Like it's out of arms reach you ain't getting to it

Mind blowing conversations, I'm talking to shooters
