LowTheGreat
Is that Trey?
Wait, hold up
I'm finna turn this bitch up

Got dressed, put a toe tag on me
Niggas stay fly, but it ain't no cash on me
Niggas scared to hit the fox hills without they homies
I'm a famous nigga still shot by my lonely (Yeah)

Pull it up niggas gettin' drank, drank loaded (Loaded)
Bitch asks why your friends drink all my soda (Why)
Tell a bitch fast skate you a roller (Fast)
Stupid ass talkin' out her neck like she know us (Bitch)
A-B-C, Amiri Balenciaga and Celine (Drip)
One, two, three, four, dropped in a cream (Pull it up)
I six, seven, eight bitches on me
She coming off the bro, why the titties hit the knees (Damn)
Niggas can't dress flyer and I'm in the weight vest
I just hit my limit for the day, what I'm gonna get next
I'm inspired by the high fashion, call me best dressed
This song was inspired by Great Neck

Got dressed, put a toe tag on me (Prrr)
Niggas stay fly, but it ain't no cash on me (You broke)
Niggas scared to hit the fox hills without they homies
I'm a famous nigga still shot by my lonely
What he do?
Got dressed, put a toe tag on me
Niggas stay fly, but it ain't no cash on me
Niggas scared to hit the fox hills without they homies
I'm a famous nigga still shot by my lonely

Rick Owens with the stupid fat laces
My style turn bitches head, make niggas irritated
At the club giving it up but not gangbangin'
Fly as a bitch am gucci gang affiliated
I was drunker than a bitch the room rotated
What's the definition of tonight? So faded
If I put 'em on my feet, they not outdated
What's the definition of these niggas? Trash overrated (Trash)
Niggas really tryna rap, I just go crack
Call her when I need some head, she my throwback
Let her lick the lollipop, listening to Lil Wayne
Tell her I got a twin, she did it for a pair of jays

Got dressed, put a toe tag on me (Prrr)
Niggas stay fly, but it ain't no cash on me (You broke)
Niggas scared to hit the fox hills without they homies
I'm a famous nigga still shot by my lonely
What he do?
Got dressed, put a toe tag on me
Niggas stay fly, but it ain't no cash on me
Niggas scared to hit the fox hills without they homies
I'm a famous nigga still shot by my lonely
