

Till I Bust

1TakeJay

Wait, hold up

I got one who suck dick til I bust, ay-ay
My ghetto bitch eat me up like I'm lunch, ay
She want, she want mimosas and dick after the brunch
My toes curlin' up, she know she did it up
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust

Her name Candy, that's exactly why she with that
I was in her mouth like a Kit Kat at a kickback
She don't even rap on my mic where she spittin' at
Nigga hit my DM bout his bitch, "What are you gettin' at?"
How the fuck I taste, you lickin' on me like the blunt
She keep comin' out her clothes, BET, this shit uncut
You gotta pay for this, I drop a low, I'm gettin' sucked
I know she love a broke nigga, her lip got a bum bum
I'm strictly in her mouth, I don't never hit her walls
Like we cleanin' up for P.E., don't forget the balls
Y'all be stackin' up on honey packs, I'm not Charles
How the fuck I'm short, but I always stand tall

I got one who suck dick til I bust, ay-ay
My ghetto bitch eat me up like I'm lunch, ay
She want, she want mimosas and dick after the brunch
My toes curlin' up, she know she did it up
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust

Baby keep the meat in the toe cold, golly
Til it ain't strong no more
Knew she was cold when the start off was real slow
Then out of nowhere? the whole thing in her throat
She started doing something that sound like a motorboat
She started doing something that made both eyes close
Sloppy with it but she still got a cute pose
Slurp it up baby, treat me like a snow cone
Super hair get it done in five minutes
Pull her sleeve up she bout to handle business
Turn the flash off tonight I need a witness
She bout to treat the meat like it's delicious

I got one who suck dick til I bust, ay-ay
My ghetto bitch eat me up like I'm lunch, ay
She want, she want mimosas and dick after the brunch
My toes curlin' up, she know she did it up
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust
I got one who suck dick til I bust
