

Bitch, I need to [?] outchu
Ain't no baby, fore I nut I pull his dick outchu
Ain't no free conversation, need six outchu
Keep playing, like this beat slap the fuck outchu
Ay I'm in the stu every day
Cause I'm that nigga that that they wasn't tryna pay
Fuck your feature bitch I'm not ain't finna pay
You look for parking, I just parking in Valet bitch

You look for parking, I'm just parking in Valet nigga
You love that bitch she jus told us where you stay nigga
I treat the homies titties, I hang with them
He never been to that shed but he bang with em
But that's LA, this the city full of strange niggas
They keep asking how many times I need to say it nigga
I'm just a square that get money I don't bang nigga
But don't get it twisted I'm exclusive, not playing nigga
You do crime you do the time, I'm tryna blame nigga
Never been but I've seen the system really take niggas
You a crash dummy I'm paralyzed cause I can't feel them
Shoutout to my [?]
I ain't no support like the shoe with no strings in them
Fuck em I jus fucked em now I really see the hate in em
I'm childish, check my instagram I ain't playing [?]

Bitch, I need to [?] outchu
Ain't no baby, fore I nut I pull his dick outchu
Ain't no free conversation, need six outchu
Keep playing, like this beat slap the fuck outchu
Ay I'm in the stu every day
