When we meet eyes baby
Feels like time stops i'm addicted to the way you talk
Even your smallest laughs
Is like magic
It's like magic

Your magical spell
Pulls me to you
Take me home
Take me home

Your magical spell
When I hear it
I'm already addicted to you
You're like magic

Woa ah...
I'm coloring myself with you, baby
Woa ah...
Even if I get more addicted to you, it's okay

Like magic (like magic)
Like magic (like magic)
Like magic (baby)
You keep getting me addicted

It's so breathtaking
When you play these games with me
You keep burning me up
Because of your magic

Woa ah...
Your voice is like magic, baby
Woa ah...
Even if I get more addicted to you, it's okay

Even when you get mad, it's hot
It's even more breathtaking
When your lips start staring at me
You drive me crazy again

Yea, you're like magic
Like Gryffindor's Hermione
You keep casting spells at me
But I'm ready to fall for you

Your magical spell
Pulls me to you
Take me home
Take me home

Your magical spell
When I hear it
I'm already addicted to you
You're like magic

Woa ah...

I'm coloring myself with you, baby
Woa ah...
Even if I get more addicted to you, it's okay

Like magic (like magic)
Like magic (like magic)
Like magic (baby)
You keep getting me addicted

Yo, it's breathtaking
When your spell is cast
You keep burning me up
Because of your magic

Woa ah...
Your voice is like magic, baby
Woa ah...
Even if I get more addicted to you, it's okay

Woa ah...
Because of your spell
Woa ah... woa ah... woa ah...

Woa ah...
I've fallen for you
I'll admit it, yeah yeah

Woa ah...
I'm coloring myself with you, baby
Woa ah...
Even if I get more addicted to you, it's okay

Like magic (like magic)
Like magic (like magic)
Like magic (baby)
You keep getting me addicted
