

2 Dollar Bill

2 Chainz

(Yeah, I know that I'm winnin')
(I'm winnin', I'm winnin', I'm winnin', yeah)
(Yeah, uh, I know that I'm winnin')
(I'm winnin', I'm winnin', I'm winnin', yeah)
(Mustard on the beat, hoe)

(I'm rare, I'm rare)
(I'm rare, I'm rare)
(I'm rare, I'm rare) (This shit hard)
(I'm rare, I'm rare)

Like a 2 dollar bill, like a 2 dollar bill
Like a 2 dollar bill, like a 2 dollar bill

(I'm rare, I'm rare)
(I'm rare, I'm rare)
(I'm rare, I'm rare)
(I'm rare, I'm rare)

Spit cold shit, need Mucinex
Diamond chain 'round my neck with the crucifix
Got a family now so I had to pipe down
Before a young hoe fucked up my timeline
I wear my shades at night like Corey Hart
Stopped trappin' and the plug said I broke his heart
On a seafood diet, I don't fuck with pork
Porsche and Mercedes drive, I got a lot of torque

Trap check, check, one two
She wanna spit, dip, fondue
Shinin', I'm in the sun room
Life a bitch so you better use a condom
I'm rare like a nigga that's loyal
I'm rare like a girl with me that ain't spoiled
I'm rare like Mr. Clean with hair
Yeah (I'm rare)

Like a 2 dollar bill, like a 2 dollar bill
Like a 2 dollar bill, like a 2 dollar bill

(I'm rare, I'm rare)
(I'm rare, I'm rare)
(I'm rare, I'm rare)
(I'm rare, I'm rare)

I'm rare
I promise, I swear
I'm high, mid air, don't vomit up here
Like the 13th floor, fuck it, I'ma take the stairs
Like what 2 Chainz wear, that shit from Rio De Janeiro
I'm rare like a commercial with Future and Cher
Like a cop that's fair, like a triple-double-dare
I'm rare
Really rare, you scared, you really scared
I'm where? I'm here and there
You stare, you disappear
Oh yeah, that's really rare

(I'm rare) I'm rare
(I'm rare) I'm rare
(I'm rare) I'm rare
(I'm rare) I'm rare
